

As February begins we are fast approaching the end of this half term and there have been many wonderful moments that have been shared in PEP meetings about Wokingham children.

As always, we are thankful for such dedicated professionals who work with us in ensuring that the children we care for are championed within their educational setting.

Spring term PEPs are in full swing with many already completed. May we remind you that any outstanding funding requests must be added to the PEP and submitted by **Friday 7th March** to ensure that they can be considered before the close of the financial year.

The NSPCC are always there to support children, young people, professionals and parents but they are reliant on donations.

On Friday 7th March the NSPCC have their Number Day where you could join thousands of schools and nurseries taking part in a fun-filled day of maths!

If your setting would like to take part in numerical games, activities and Dress up for Digits while raising money to support the NSPCC's vital services like Speak out Stay safe and Childline click [here](#).

It's Children's Mental Health Week!

Children's Mental Health Week 2025 is taking place from 3-9 February this year. As part of Place2Be's Children's Mental Health Week 2025 they have joined forces with Here4You to explore the importance of self-awareness and expressing emotions.

Here4You is supported by The Walt Disney Company, and through the characters of Pixar's *Inside Out* and *Inside Out 2*, the resources encourage children and young people across the UK to discover how getting to know who they are can help them build resilience, grow and develop. For more information and links to the resources click [here](#).
